Discover SCUBA Diving

Have you always wondered what it's like to breathe underwater? If you want to try scuba diving, but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving is for you. PADI dive shops offer this program either in a pool, off a beach or from a dive boat. You can try scuba close to home or while you're on vacation at a dive destination. While not a scuba certification course, Discover Scuba Diving is a quick and easy introduction to what it takes to explore the underwater world.

You learn the basic safety guidelines and skills needed to dive under the direct supervision of a PADI Professional. If you make an open water dive, you'll practice a few more skills in shallow water to prepare for your adventure. Get ready to:

- Go over the scuba equipment you use to dive and how easy it is to move around underwater with your gear.
- Find out what it's like to breathe underwater.
- Learn key skills that you'll use during every scuba dive.
- Have fun swimming around and exploring.
- Hear about becoming a certified diver through the PADI Open Water Diver course.
