

PADI Dry Suit Diver

Want to stay warm? Want to extend your scuba diving season? Then dive dry. A dry suit seals you off from the water and keeps you comfortable, even in surprisingly cold water. There is incredible diving in the world's cooler regions and in some areas, conditions are even better in colder months. Becoming a dry suit diver allows you to expand your boundaries and dive more places, more often.

COURSE REQUIREMENTS

- 1 Confined Water Diver
- 2 Open Water Dives

PREREQUISITES

- PADI Open/Junior Water Diver (or equivalent diver certification)
- Minimum age of 10 years old

COURSE FEE

\$195

(includes wrist and neck silicone seals that are yours to keep! \$100 value)

GENERAL EQUIPMENT REQUIREMENTS

Students must supply:

- Mask, Fins, Booties, and Snorkel
- Safety Signal Tube and Whistle
- Logbook
- Underwater watch and RDP or dive computer
- Dive Knife

*All other necessary Scuba Equipment can be rented from Scuba World, Inc. if you do not already have your own.

Please note

**Trip cost is additional and varies according to location. Each student is expected to have the above equipment prior to the open water training. Please check to be sure all equipment has been serviced and in proper working condition. Rental equipment should be reserved in advance of dive trip.*
