

PADI Cavern Diver

Caverns exist in many areas where scuba divers venture – from freshwater springs to volcanic island walls and limestone coasts. In these locations you'll find large, dark spaces that seem incredibly inviting, yet are potentially dangerous. The PADI Cavern Diver Specialty course gives you the knowledge and skills to explore caverns correctly – allowing you to enter far enough for adventure, but staying within the light zone for an easy exit to open water.

COURSE REQUIREMENTS

4 open water dives, plus shallow-water line drills

PREREQUISITES

PADI Advanced Open Water Diver (or equivalent diver certification)
Minimum age of 18 years old

COURSE FEE

\$255

GENERAL EQUIPMENT REQUIREMENTS

Students must supply:

Mask, Fins, Booties, and Snorkel
Safety signal tube and whistle
Logbook
Underwater watch and RDP or dive computer
Dive knife
Slate with pencil
Reel and guideline
Primary and secondary dive light

*All other necessary Scuba Equipment can be rented from Scuba World, Inc. if you do not already have your own.

Please note

**Trip cost is additional and varies according to location. Each student is expected to have the above equipment prior to the open water training. Please check to be sure all equipment has been serviced and in proper working condition. Rental equipment should be reserved in advance of dive trip.*
