

PADI

Enriched Air Diver

The PADI Enriched Air Diver course is PADI's most popular specialty scuba course. Why? Because scuba diving with enriched air nitrox gives you more no decompression time, especially on repetitive scuba dives. If staying down longer and getting back in the water sooner sounds appealing, then don't hesitate to become an enriched air diver.

COURSE REQUIREMENTS

1 classroom session

PREREQUISITES

PADI Open/Junior Water Diver (or equivalent diver certification)

Minimum age of 12 years old

COURSE FEE

\$145

GENERAL EQUIPMENT REQUIREMENTS

Students must supply:

Dive computer

*All other necessary Scuba Equipment can be rented from Scuba World, Inc. if you do not already have your own.

Please note

**Trip cost is additional and varies according to location. Each student is expected to have the above equipment prior to the open water training. Please check to be sure all equipment has been serviced and in proper working condition. Rental equipment should be reserved in advance of dive trip.*
