

PADI

Assistant Instructor

If you like people, have a passion for scuba diving and want an extraordinary life – become a PADI Assistant Instructor. Teaching scuba diving allows you to share your love of the aquatic world with others while doing what you enjoy – being in, around and under water. PADI Open Water Scuba Instructors and PADI Assistant Instructors are the most sought-after dive professionals around the world because they've completed the program that sets the standard for training dive professionals. You *earn* a PADI Assistant Instructor rating through hard work and commitment, but you're rewarded with a job that lets you share incredible underwater adventures with others – transforming their lives for the better and enriching yours.
