

PADI ADVANCED PROGRAM

The **PADI Advanced** program offers divers the opportunity to fine tune navigation skills, expand diving depth limits beyond 60 feet, and explore three other specialties*. In addition to the *Navigation* and *Deep* dives, the Advanced Program allows divers to choose 3 other supervised dives from a menu of specialized diving activities including: Night, Boat, Drift, Dry Suit, Multilevel, Search & Recovery, Underwater Naturalist, Underwater Photography, Wreck Diving, Peak Buoyancy, and many more. This program may be taken immediately following Open Water, provided you have a solid understanding and are comfortable with the basic dive skills. If you sign up for the Advanced Program within two weeks of your Open Water certification, you will get *free rental* for the certification dives!
