

PADI

Diver Propulsion Vehicle

DPVs offer a thrilling way for scuba divers to see a lot of underwater territory in a short amount of time. They scoot you through the water allowing you to glide over reefs, buzz around a large wreck or weave through a kelp forest. Whether making a shore or boat dive, a DPV is a great way to see more and have fun doing it.

COURSE REQUIREMENTS

2 open water dives

PREREQUISITES

PADI Junior Water Diver (or equivalent diver certification)

Minimum age of 12 years old

COURSE FEE

\$150

GENERAL EQUIPMENT REQUIREMENTS

Students must supply:

- Mask, Fins, Booties, and Snorkel
- Safety Signal Tube and Whistle
- Logbook
- Underwater watch and RDP or dive computer
- Dive Knife
- Slate with Pencil
- Underwater Compass

*All other necessary Scuba Equipment can be rented from Scuba World, Inc. if you do not already have your own.

Please note

**Trip cost is additional and varies according to location. Each student is expected to have the above equipment prior to the open water training. Please check to be sure all equipment has been serviced and in proper working condition. Rental equipment should be reserved in advance of dive trip.*
